

**Smallworld
Learning Journey.
"Children learn through play"**

Dear Parents,

Throughout your child's time here at Smallworld we will be monitoring and observing your child's progress through their play. This information will be used to help complete their Learning Journey. This information is available for you to view at any time.

It is our policy at Smallworld to ensure that all our children are observed and assessed in a fair and accurate way as we acknowledge that each child has different needs and develops at different rates.

Your child's Key person will be responsible for recording and monitoring your child's progress made at Smallworld and this information will be kept in their Learning Journey.

Photographs, observation statements and pieces of your child's work will be included in the Learning Journey and this will always be available for you to look at.

We would also welcome your input as a parent and will enjoy sharing and recognising any achievements or mile stones that your child has made at home.

If your child attends more than one setting we will then seek your permission for us to share any information we feel would be relevant to help your child to develop and progress in pre-school.

If you have any queries or concerns then please speak to a member of staff who will be happy to help.
