

Smallworld Smallworld Transition Policy

Children are encouraged to try all activities on offer. Staff will respect the child's individual needs and adapt activities according to the child's age and stage of development.

Children are aware of our Pre-school routine and are encouraged to take part in preparing for the next activity i.e. tidy up time ready for snack, washing our hands ready for snack, coats on ready for outside play etc.

We at Smallworld are willing to work with the setting / school in which the child may be moving on to, with the passing of information (with parents permission) and any of the 'settling' in sessions that may be arranged and inviting the new teacher/provider into our setting to meet the child in familiar surroundings.

If your child attends more than one childcare setting we will seek your permission for us to be able to contact them and share any relevant information with their key person which will help us to respond to your child's individual needs and plan activities to support their development in our setting.

Any information shared will be kept in the strictest of confidence.
